Workstation with 2 "L" shaped work tops 180x180cm + curved terminal extension in oak melamine 30mm thick.

Partitions covered in green and blue fabric. Height 170cm.

Overhead boxes 80x42x46cm and 100x42x46cm with oak melaminic doors. Melaminic shelves.

Equipable bars with pen holders and paper trays.

Mobile drawers units with one standard drawer and one filing drawer.

Extractable keyboard holder.

Multisocket installed.

WS03

Workstation with "L" shaped work top 180x200cm in oak melamine 30mm thick. Modesty panel in oak melamine.

Partitions covered in green and blue fabric. Height 170cm.

Overhead boxes 100x42x46cm with oak melaminic doors.

Equipable bar with pen holder and paper tray.

Mobile drawers units with one standard drawer and one filing drawer.

Extractable keyboard holder.

Multisocket installed.

WS04

Workstation with "L" shaped work top 180x200cm + back worktop 320x80cm in oak melamine 30mm thick. Modesty panel in oak melamine.

Partitions covered in green, blue and grey fabric. Height 170cm.

Overhead box 80x42x46cm + 2 boxes 100x42x46cm with oak melaminic doors.

Equipable bar with pen holder and paper tray.

Mobile drawers units with one standard drawer and one filing drawer.

Extractable keyboard holder.

WS05

Workstation with 2 "L" shaped work tops 180x120cm in oak melamine 30mm thick.

Partitions covered in grey fabric. Height 106-170cm. For each operator is installed a clear glass window. Overhead box 80x42x46cm with oak melaminic door.

Mobile drawers units with one standard drawer and one filing drawer.

WS06

Workstation with 6 "L" shaped work tops 180x120cm in oak melamine 30mm thick.

Partitions covered in grey fabric. Height 106-170cm. For each operator is installed a clear glass window.

Overhead box 80x42x46cm with oak melaminic door.

Mobile drawers units with one standard drawer and one filing drawer.

WS07

Workstation with "L" shaped work top 180x180cm + back top 320x80cm in oak melamine 30mm thick. Oak melamine modesty panel. Partitions covered in orange and grey fabric. Height 170cm. 3 overhead box 80x42x46cm with oak melaminic doors. One 80cm melaminic shelf. Mobile drawers units with one standard drawer and one filing drawer. Equipable bar with pen holder and paper tray. Extractable keyboard holder. Multisocket installed. 2 cabinets 90x46x200cm. One with 4 oak melaminic doors, one with 2 doors and two filing drawers.

WS08

Workstation with "L" shaped work top 180x200cm + back top 240x80cm in oak melamine 30mm thick. Oak melamine modesty panel.

Partitions covered in blue and grey fabric. Height 170-138cm.

2 overhead box 60x42x46cm with oak melaminic doors.

Two 60cm melaminic shelves.

Mobile drawers unit with one standard drawer and one filing drawer.

Equipable bar with pen holder and paper tray.

Extractable keyboard holder.

Multisocket installed.

WS09

Workstation with "L" shaped work top
Partitions covered in blue and green
fabric. Height 170cm.

2 overhead box 80x42x46cm and
100x42x46cm with oak melaminic
doors.

One 80cm melaminic shelf.

Mobile drawers unit with one
standard drawer and one filing
drawer.

Equipable bar with pen holder and
paper tray.

Extractable keyboard holder.

Multisocket installed.

WS10

Workstation with "L" shaped work top 180x200cm in 30mm thick oak melamine. Oak melaminic modesty panel.

Partitions covered in blue and grey fabric. Height 170cm.

2 overhead box 100x42x46cm with oak melaminic door.

Mobile drawers unit with one standard drawer and one filing drawer.

Equipable bar with pen holder and paper tray.

Extractable keyboard holder.

Multisocket installed.

WS11

Workstation with "L" shaped work top 160x120cm in 30mm thick oak melamine.

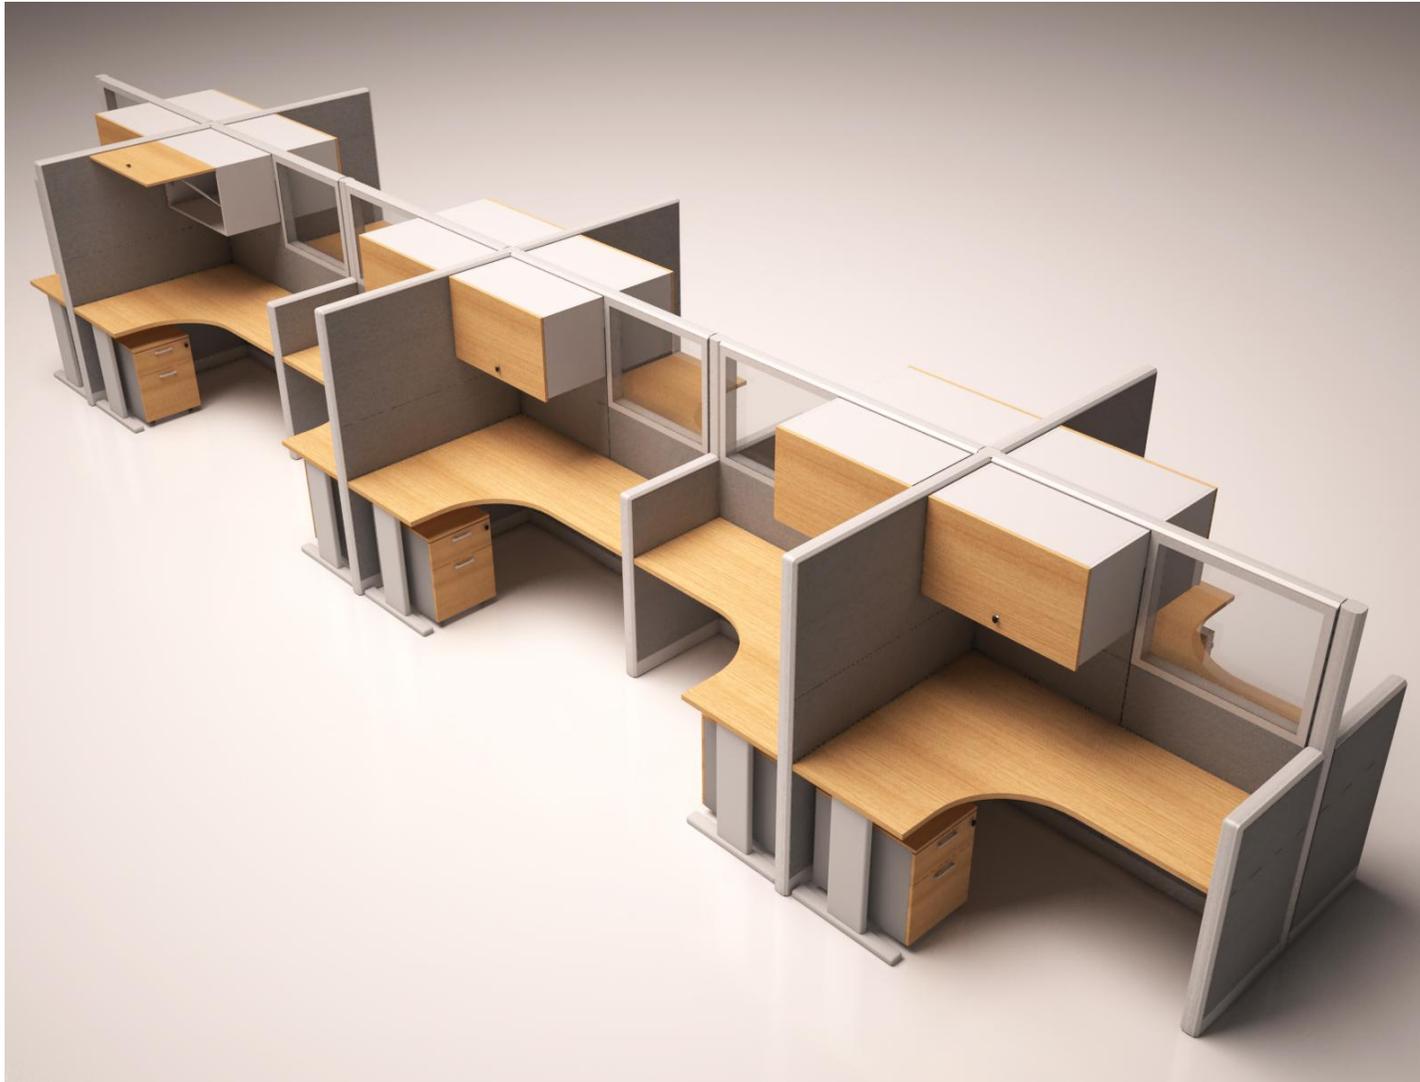

Partitions covered in grey fabric.

Height 170-119cm.

One overhead box 80x42x46cm with oak melaminic door.

Mobile drawers unit with three standard drawers.

One clear glass window.

WS12

Workstation with 12 "L" shaped work tops 160x120cm in 30mm thick oak melamine.

Partitions covered in grey fabric.

Height 170-119cm.

For each operator:

one overhead box 80x42x46cm with oak melaminic door.

Mobile drawers unit with one standard drawer and one filing drawer.

Clear glass windows.

WS13

Workstation with "L" shaped work top 160x160cm and back top 160x80cm in 30mm thick oak melamine.

Partitions covered in orange and grey fabric. Height 170-138cm.

3 overhead boxes 80x42x46cm with oak melaminic doors.

2 80cm melaminic shelves.

Mobile drawers unit with one standard drawer and one filing drawer.

Equipable bar with pen holder and paper tray.

Extractable keyboard holder.

Multisocket installed.

Two cabinets 90x45x82cm each with oak melaminic top and doors

WS14

Workstation with "L" shaped work top 180x160cm in wengè 30mm thick melamine.

Partitions covered in golden brown fabric. Height 170cm.

Wengè melaminic modesty panel.

2 overhead boxes 80x42x46cm with wengè melaminic doors.

Mobile drawers unit with 2 standard drawers and one filing drawer.

Equipable bar with pen holder and paper tray.

Extractable keyboard holder.
